

**Burnaby Association  
for Community Inclusion**

Two days of practical and relevant information to help you plan effectively for the future of someone with a developmental disability.

Time:  
Location:

## Securing the Future: **Personal and Financial Planning for Families**

presented by

**PLAN**

10 am - 3 pm for both sessions  
Burnaby Association for Community Inclusion  
2702 Norland Avenue, Burnaby, BC V5B 3A6  
(corner of Douglas and Norland)

### **Session 1 Saturday, April 9th, 2011**

#### **Registered Disability Savings Plan (RDSP)**

Learn about the tool that allows a person with a disability to save money for their future while not interfering with monthly disability benefits. Explore tips on maximizing federal government contributions and discover investment strategies that will accelerate the growth of your plan.

#### **Personal Support Networks**

Have you ever wondered who will care for your relative when you are gone? Do you know who will be their guardian, trustee, representative or friend? Discover the key elements of a social support network, how to begin building one, and why this leads to a more safe and secure future for your relative.

### **Session 2 Saturday, April 30th, 2011**

#### **Wills, Trusts and Estates**

Get answers to your questions about trusts, choosing executors and guardians and the importance of planning your will. This workshop will better prepare you to update or write your will.

#### **Supported Decision Making**

(Representation Agreements)

Learn about a powerful legal tool that allows people (ages 19 and over) to designate others to represent them in their daily financial affairs and health care needs.

*Appropriate for: Parents and family members of adults with developmental disabilities*
